

Figawi Charity Ball 2017

Dear Friend of Figawi:

The 31st Annual Figawi Charity Ball is Cape Cod's premier social event and the most effective way to contribute to dozens of Cape and Islands organizations with a single donation. We enjoyed a **hugely successful** 30th Anniversary Ball in May 2016 which saw more than 900 attendees!

On **Saturday, May 20, 2017**, the Figawi Ball will be held once again at The Resort & Conference Center at Hyannis. Figawi is a spectacular evening of music, dancing, gourmet food, live casino, and an exceptional collection of silent auction and raffle items. Two live bands and more than a dozen Cape Cod restaurants provide the backdrop for this amazing evening of fundraising!

Corporate and privately donated merchandise, services, travel, golf, leisure activities, and gift certificates for our Silent Auction and Raffle provide substantial support to the Figawi Charities, an IRS § 501(c)(3) organization. We make the most of your generous donations by giving **100% of all proceeds** raised to multiple community charities through a grant program, which allows your donation to impact a greater number of beneficiaries.

Your new or continued contributions help ensure that our 2017 efforts will meet or exceed the needs of multiple local organizations. Your donations also provide you with a high level of exposure, **demonstrating your community commitment** to the Cape's most influential customers.

A few of our growing list of organizations which benefit from your generosity include:

Holiday for Heroes for Wounded Warriors	Cape Cod Hospital Pediatric Wing
Hyannis Fire Department Project Warm	Nantucket Boys and Girls Club
After-Prom parties for Cape High Schools	Sail Cape Cod
Children's Cove	Cape & Islands EMS
... and over 100 more on Cape Cod & the Islands
